

Python Activities – Notes for Mentors

Suggest that for the activities they use trinket for Python activities
<https://trinket.io/> - they will need to create an account to save their projects.
Make sure they are using Python 3.

Turtley Amazing

<https://projects.raspberrypi.org/en/projects/turtley-amazing>

Actually worth doing this online rather than in trinket as they have embedded trinket nicely into the activity

Modern Art

<https://projects.raspberrypi.org/en/projects/modern-art>

Challenges

See separate sheet
